### Terms & conditions

Submission of the application to become a network member and payment of the annual dues constitute agreement to these terms and conditions of membership. • Membership benefits and dues are subject to change without notice. • Membership term is one (1) year, beginning with and including the month the annual dues payment is received. • Membership dues are nonrefundable. • All membership benefits are valid only during the membership term. Activation of some benefits requires action by the network member prior to a publicized deadline. • Individual premium and online ISTE memberships are concurrent with the term of the network membership and expire with the network membership unless that membership is renewed. The network member must designate the individual(s) to receive the memberships. The individual memberships must be assigned to employees of the network member. • Network members receive a special ISTE EdTech Network member logo and usage guidelines at the time membership begins. The logo may be used only in conformance with the usage guidelines and only during the membership term. Members are not allowed to use any other ISTE logo or mark. • Number of invitations to the network summit may change based on the size of the venue, format and other circumstances. • Super early bird registration pricing extended to up to 10 company representatives at any point prior to the conference or onsite. This represents a 15% discount on conference registration.
