

Taking Mobile Learning to the Next Level

Mobile learning offers unique opportunities for learners – it harnesses the capabilities of laptops, tablets and smartphones to increase flexibility and interaction within the classroom and extends learning and problem-solving beyond the classroom.

Taking Mobile Learning to the Next Level is ISTE U's premier online professional learning course that guides educators in leveraging the devices in students' hands as instructional tools and provides dynamic activities to help advance mobile learning initiatives.

Course details

- **Grade Level:** K-12
- **Course length:** 15 hours
- **Cost:** \$186 ISTE Member, \$249 Non-member
- **Structure:** Self-paced with ongoing instructor support

Through this course, educators will:

- Unpack the term "mobile learning" and its implications.
- Evaluate the state of their organization's mobile learning initiative.
- Curate digital tools and resources to enhance mobile learning practices.
- Learn how to effectively integrate mobile technologies into instructional design.

Course Flow

- **Module 1:** Discovery
- **Module 2:** Frameworks for Technology Integration
- **Module 3:** Digital Citizenship
- **Module 4:** Capstone Project

Connected to the ISTE Standards

This course helps educators address several indicators in the ISTE Standards for Educators, including:

LEARNER 1.a.

Set professional learning goals to explore and apply pedagogical approaches made possible by technology and reflect on their effectiveness.

LEADER 2.a.

Shape, advance and accelerate a shared vision for empowered learning with technology by engaging with education stakeholders.

LEADER 2.c.

Advocate for equitable access to educational technology, digital content and learning opportunities to meet the diverse needs of all students.

CITIZEN 3.a.

Create experiences for learners to make positive, socially responsible contributions and exhibit empathetic behavior online that build relationships and community.

COLLABORATOR 4.a.

Dedicate planning time to collaborate with colleagues to create authentic learning experiences that leverage technology.

The screenshot shows a tablet interface for a video player. At the top, it says 'Module 2: Evaluate' and 'Evaluating a Digital Tool'. Below that is the title 'Bloom's Taxonomy'. The main content area contains text about Bloom's Taxonomy and a diagram of the taxonomy pyramid. The pyramid is divided into five levels: Remembering, Understanding, Applying, Analyzing, and Creating. Each level is associated with various educational icons and logos. Below the text, there is a 'wevideo' player interface with 'SIGN UP' and 'LOGIN' buttons.
