ISTE Interactive Videoconferencing Network Classroom Educator Award

This award recognizes educators in classroom settings using video conferencing in innovative ways to advance education.

The following questions will be asked on this award form:
1. (Required) Please upload a current CV or Resume
2. (Required) Please provide a brief biography of yourself and your work (500 words max)
3. (Required) Please describe a project incorporating videoconferencing technology completed within the last year. (200 words max)
4. For each of the following please provide evidence which may include website links, presentations, videos, testimonials, etc.
   a. (Required) How has your project made a positive impact on your educational community (whether that's locally, regionally, statewide, nationally, or worldwide)
   b. (Required) How does your project plan for and incorporate the use of videoconferencing technology for the purpose of enhanced learning?
   c. (Required) How do you continuously improve professional practice through the exploration of creative applications for video conferencing technology? How do you reflect upon and evaluate this?
   d. (Required) How do you promote the effective use of digital tools across local and global learning communities?
   e. (Required) How do you exhibit leadership in your school and/or professional community with a vision of furthering videoconference technology infusion, collaboration, and/or community building?
   f. (Required) How has the use of IVC empowered your work?
   g. (Required) How does your work promote the ISTE Standards?
5. (Optional) If desired, provide additional project artifacts by providing a link to a google folder or website.
6. (Optional) Is there anything else you wish to tell us?
