

CONTENTS

PREFACE. . . . . 1

INTRODUCTION . . . . . 3

CHAPTER 1: Digital Transformation in Education . . . . . 7

    That Was Then. This Is Now . . . . . 8

    The World Is Deeply Involved in  
        Digital Transformation . . . . . 9

    What’s Happening and Why? . . . . . 10

    What This Means for Schools . . . . . 10

    The Journey Ahead . . . . . 12

CHAPTER 2: The New Classroom . . . . . 15

    From Traditional Classroom to  
        Digital Learning Environment . . . . . 16

    Resources That Support Learning in  
        the Digital Age . . . . . 17

    Devices and Infrastructure . . . . . 20

    Features of the Digital Learning Environment . . . . . 22

    Changing to a Digital Platform for  
        Teaching and Learning . . . . . 27

    Removing Barriers to Meaningful  
        Technology Integration . . . . . 31

CHAPTER 3: Digital Transformation Tools and Frameworks . . 33

    Microsoft’s Education Transformation Framework . . . 34

    Education Transformation Technology  
        Adoption Blueprint . . . . . 36

    Using the SAMR Model to  
        Guide Digital Transformation . . . . . 36

    Using the TPACK Framework . . . . . 38

    Using a Digital Transformation /  
        Technology Adoption Model . . . . . 40

CHAPTER 4: The Digital Change Agent . . . . . 41

    Guiding Transformation . . . . . 42

    Many Hats . . . . . 43

    School Leaders and the Digital Transition . . . . . 45

    The Coach as Change Agent . . . . . 46

    Teacher Leaders . . . . . 47

    Growing into the Role and Offering Support . . . . . 49

<b>CHAPTER 5: The Vision</b>	<b>55</b>
The Big Picture	56
Successful Technology Programs Begin with a Vision	56
Ask, Where Is the School Going? How Will It Get There?	57
Purpose and Function	58
Creating the Vision and Vision Statement	59
<b>CHAPTER 6: From Vision to Reality</b>	<b>67</b>
Assessment	68
Next Step Planning and Goal Setting	70
Curriculum Planning	71
Professional Development and Support	71
School Technology Advocacy	75
Alliances	77
Continuous School Improvement (CSI)	78
Achieving the Goal	79
<b>CHAPTER 7: Change and Resistance</b>	<b>85</b>
What's Changed and Is Changing?	86
Digitized Traditional Learning vs. Digitally Transformed Learning	86
Shifting Paradigms	90
Create a "Big Picture" Representation	92
Resistance to Change and Overcoming It	93
Why Do Teachers Resist Using Technology in Their Classrooms?	96
Edtech Myths and How to Debunk Them	97
<b>CHAPTER 8: Going for It!</b>	<b>103</b>
Get Informed, Stay Informed!	104
Take a Webinar	106
Get Connected	107
Motivate Your School Community	110
Conclusion	111
